Plan Highlights:

This PEI Plan has 6 projects:

- The projects are: 1) Early Childhood Community Team, 2) Community Interventions for School-Age and Transition Age Youth, 3) Primary Care/Behavioral Health Integration: IMPACT Model, 4) Total Wellness for Adults/Older Adults, 5) Stigma Initiative, 6) Youth/Transition Age Youth Identification and Early Referral
- The county's outreach strategies designed to reach the diverse population by providing incentives (transportation, translation, stipends)
- The workgroups focused on different age groups (e.g., 0-5, 6-17, 18-25, and adults and older adults)
- Youth commissioners served on the Mental Health Board and conducted a mental health awareness survey of high school students generating over 1,000 responses.
- Will contract with community-based and faith-based organizations to effectively reach targeted populations
- In the *Total Wellness for Adults/Older Adults* project, PEI funds will be utilized to train providers on the mental health needs of adults and older adults. This project included very good leveraging of resources.

Plan Strengths:

- Very good inclusion of consumer and family members, mental health providers, county staff and other mental health partners in the community program planning process
- Included data showing that the majority of the participants were impressed with the community program planning process
- Good linkage with MHSA Workforce, Education and Training component
- Well defined timelines

The Plan Review Team Recommends: APPROVAL
